How it works

Dispute Resolution

If you have a problem with your agreement, please try to resolve it with us in the first instance. If you are not happy with the way in which we handled your complaint or the result, you may be able to complain to the Financial Ombudsman Service. If you do not take up your problem with us first you will not be entitled to complain to the Ombudsman. We can provide details of how to contact the Ombudsman.

Important information about compensation arrangements

We are covered by the Financial Services Compensation Scheme (FSCS). The FSCS can pay compensation to depositors if a bank is unable to meet its financial obligations. Most depositors – including most individuals and businesses – are covered by the scheme. We will issue the FSCS information sheet and exclusions list which set out in detail what is, and is not, covered by the FSCS, once a calendar year usually with your account statement.
For further information about the compensation provided by the FSCS, refer to the FSCS website at **www.FSCS.org.uk.**

Using your Barclays debit card - what costs and what doesn't

If you use your debit card in the UK Barclays will not charge you for using your debit card in the UK when making purchases, withdrawing cash, or when buying travellers' cheques or foreign currency. A small number of ATM providers may charge a transaction fee but they should tell you about this on-screen before you commit to any transaction.
If you use your debit card abroad or pay in a currency other than sterling (either abroad or in the UK) Barclays will charge you a 2.99% Non-Sterling Transaction Fee for using your debit card abroad when making purchases, withdrawing cash, or when you are being refunded. This fee will also apply whenever you do not pay in sterling, for example when you shop online at a non-UK website. On top of this, if you're getting cash over the counter at a bank abroad (including Barclays), or using an ATM other than a Barclays ATM or an ATM at a Global Alliance member bank, you'll also be charged a £1.50 Non-Sterling Cash Fee and the ATM provider may apply other charges. To see a full list of Global Alliance member banks and countries please go to arclays.co.uk/global alliance. Visa converts transactions into sterling using the Visa Exchange Rate on the day it processes the transaction. This date may be different to the day on which the transaction took place. Historic exchange rate information is available on visaeurope.com. For more info, please go to barclays.co.uk/debitcardsabroad

Transferring money between countries

If you need to transfer money between countries, you may be asked for your SWIFTBIC (Bank Identification Code) and IBAN (International Bank Account Number). These are on the front of your statement and you'll need them so that international banks can identify your account correctly. Full details are on: business.barclays.co.uk/bb/iban

How we pay interest

If your account pays interest and is in credit, we work out your interest on the balance of your account at the close of business every day. Interest is calculated on the statement balance or the cleared balance, depending on the type of account you have. Where credit interest rate(s) are shown on your statement, these are current at the time of printing the statement and may have changed during the statement period. Unless we say otherwise, any interest rates we show are gross annual rates.

If you are a UK taxpayer you may have to pay tax on interest earned in excess of your Personal Savings Allowance (with the exception of interest earned on ISAs, which continue to be free from UK tax for eligible customers). For information and guidance please refer to HMRC's website www.gov.uk/hmrc/savingsallowance.
The management of your tax affairs is your responsibility, including making any required declarations to HMRC.

If you use your overdraft or Emergency Borrowing Facility

If your account is overdrawn, and you don't pay off the full amount you owe, any credits paid into your account go first to pay off any fees. Once these are paid, your payments go towards repayment of your Emergency Borrowing (if you have used it) and finally towards repayment of your overdraft.

To help understand the charges associated with using your overdraft or Emergency Borrowing facility, you can visit Barclays.co.uk/your overdraft or ask for a copy of 'Our Bank charges explained' in branch. You can also sign up for Barclays Text Alerts, which can help you stay in control and on top of your finances.
