Avoiding emergencies

We don't take for granted living and working in a safe place. We can help you spot and prevent emergencies early.

Visit **eonnext.com/emergencies** to find out how.

If you're experiencing a power cut:

Help or advice from your local network operator:
105

If your meter is sparking or on fire:
999

If you smell gas or suspect a leak:

National Gas Emergency Line
0800 111 999

Your distribution network operator (DNO) is responsible for ensuring reliable supply of electricity to your premises. Your DNO is **UK Power Networks** and they can be contacted on **0800 316 3105**.

Help us be the best we can be

Contact Citizens Advice if you need help with an energy problem - for example with your bills or meters, or if you're struggling to pay for the energy you use. They're the official source of free and independent energy advice and support.

If you live in England or Wales visit **citizensadvice.org.uk/energy** or call their consumer service on **0808 223 1133**

If you live in Scotland visit **energyadvice.scot** or call Advice Direct Scotland on **0808 196 8660**

Mon to Fri, 9am-5pm

Please get in touch

If you feel that our service has not met your expectations, please get in touch so we can put things right:

First: Contact our team.

Then: If an adviser is not able to resolve your query, you, can ask for it to be escalated to a specialist or team leader as appropriate.

Finally: If you're still not happy with our decision, you can contact our Operations Manager for an independent review, and you will receive a reply within 5 working days.

If you have followed the above steps, but your complaint remains unresolved after 8 weeks you can contact the **Energy Ombudsman: on 0330 440 1624 or at energyombudsman.org**
This is a free and independent service whose decisions we must abide by.

You can read our complaints policy on our website.
